Mendel KW1500 | Industrial Floor Sweeper

The KW1500 is the largest sweeper in the Mendel line. Featuring a large 55" sweeping path, the KW1500 delivers high productivity to meet a variety of cleaning challenges. **This industrial grade ride-on sweeper has been engineered to be easy to operate and maintain, while providing big productivity benefits. The KW1500 delivers exceptional sweeping performance across a variety of surfaces and debris types.** It is built tough for both indoor & outdoor applications, and is able to sweep up to 111,020 sq.ft/h. Containing dust is never an issue with the KW1500. The sweeper delivers outstanding dust control with a multi-stage filtration system, while controlling air quality via fume-free battery operation.
