Mendel M380 | Walk-Behind Floor Scrubber

A reproduction of the Nilfisk Advance SC351, the Mendel M380 is a lightweight small area battery powered auto-scrubber, built to perform! The M380 delivers fast, easy scrubbing of hard floors. Featuring battery-powered operation, this trustworthy scrubber-dryer comes with a fast rotating scrub brush, a compact design profile, quiet 67 dBA noise level (perfect for noise-sensitive areas), and forward and backward scrubbing and drying technology.

- Simple operation
- Compact, versatile design
- Cord free, battery operation
- AGM maintenance-free battery
- Tool-less access to many machine components
- Productivity rate 3,500 sq.ft/h+

\$ 3,495.00 (Comparable models can exceed \$5,500)
