

# MENDEL

## i-Drive 965

Stiff Poly Bristle Brushes

Industrial Grade Vacuum Motor

High Quality Squeegees for Optimal Water Recovery

Long lasting, maintenance free AGM batteries

### Mendel i-Drive 965 | Industrial Battery Powered Floor Scrubber

The i-Drive 965 by Mendel is a powerful industrial grade floor scrubber, yet with a compact, easily maneuverable design. Engineered for easy operation and maintenance, this 38" floor scrubber maximizes productivity by scrubbing & drying up to 58,600 sq.ft/h. Tackle tough or routine cleaning jobs with this heavy duty ride on scrubber-dryer by Mendel.

- Suitable for commercial and industrial applications
- Heavy-duty power in a compact profile
- Estimated Coverage/Productivity: Up to 58,600 sq ft / 5444 sq m
- Estimated Run Time: Up to 3 hours
- Main Down Pressure: Up to 225 lbs
- Power Source: Battery
- Cleaning Path: 38 in/965 mm
- Solution Tank Capacity: 35 gal / 132 L
- Pad/Brush RPMs: Up to 320 rpm (disk)

**\$ 18,795.00** (Comparable machines can exceed \$42,000.00)
