Tennant 7200

The 7200 is backed by legendary Tennant durability and reliability which guarantees impeccable results every time. Whether it's down narrow aisles, around tight corners, or the largest of spaces- The 7200 get the job done.

Standard Accessories:

- Over 3 hours of quiet battery-powered run-time, means the 7200 can clean in even the most noise-sensitive environments.
- Outstanding engineering ensures maximum up-time and stress-free operation to keep the 7200 operating efficiently for the duration of the machine life
- With little water required to create Tennant's high-performance FaST foam, operators can clean up to three times longer between empty/fill stops.
