

Tennant 7300

The 7300 scrubber-dryer is an elevated scrubber-dryer that creates clean, safe environments that meet the highest standards. The 7300 delivers legendary Tennant performance even in the toughest industrial environments.

Standard Accessories:

- The 7300 tackles the toughest dirt, grime and grease with three down-pressure settings in addition to a SuperScrub™ mode, which helps deliver the ultimate performance needed to deal with everyday cleaning challenges.
- Quality engineering and non-corrosive Duramer construction keep the 7300 rust-free and ready to scrub every day of the week
- Increase safety and cleanliness with ec-H2O or FaST Foam Scrubbing Technology. ec-H2O technology uses up to 70% less water and no additional need for detergent, while FaST Foam Scrubbing Technology uses up to 90% less detergent than other similar scrubber-dryers.
