Tennant 8300

Tennant's 8300 Battery-Powered Rider Sweeper-Scrubber is a multitasking workhorse! This unit cleans up to three times longer (and in a single pass!) compared to conventional scrubbing thanks to Tennant's innovative ec-H2O and FaST foam activated scrubbing technology.

Standard Accessories:

- Enhance productivity by effectively sweeping and scrubbing at the same time
- Increase ease of maintenance as no tools are needed to access this units batteries, brushes or squeegee system
- Experience fume-free operation with Continuous battery power capacity of up to 1,000 amp hours
- Sweep, scrub, and dry in seconds leaving behind a safe for work/traffic environment
- MaxPro™ Scrubbing Technology maintains consistent down-pressure on brushes for better cleaning performance and longer brush life
