

Tennant T16

This battery-powered ride-on floor scrubber is designed for quiet operation anytime, anywhere, while also lowering your cleaning costs. The T16's user-friendly design and Touch-n-Go™ controls make it simple to operate, and three environmentally friendly technologies are available to minimize the T16's environmental impact: ec-H2O™ technology, FaST® Foam-activated Scrubbing Technology, and ES® Extended Scrubbing.

Standard Accessories:

- Achieve a heavy-duty clean in challenging environments without causing damage to walls and fixtures.
- Use this quiet scrubber in noise-sensitive areas at any time without disturbing customers, employees, students or visitors.
- Using ec-H2O™, you can clean for up to three times longer with a single tank of water.
- The AC brushless propelling motor, which is more efficient than standard DC motors, extends component life and lowers maintenance costs.

Technical Data

Application: Indoor

Estimated Coverage/ Productivity (per hour): Up to 89,100 ft²/hr / 8,230 m²/hr

Vacuum Motor: 36 VDC

Battery Run Time (up-to hours): 4 hours

Recovery Tank Capacity: 60 gal / 225 L

Solution Tank Capacity: 50 gal/ 190 L or 75 gal 280 L

Squeegee Width: 42 in/ 1065 mm

Brush RPMs: Up to 300 rpm (disk) / 500 rpm (cylindrical)

Sound Level (operator's ear): 68 dBA

Power Source: Battery

Machine Type: Ride-On
